Meet the Specialists

Marika Humphreys-Baranova Bsc(Hons)

- ISU Championship and Olympic Technical Specialist
- ISU Moderator; Training new ISU Technical Specialists and Moderating Technical Specialist exams for the ISU for 4 years
- Honours Degree in Sport and Exercise Sciences from the University of Wales
- BITA Young Coach of the Year 2010
- Olympic, World and European Ice Dance Competitor
- 5 x British Senior Ice Dance Champion
- Student of the late Betty Callaway MBE
- Hot Ice Principal Performer
- Choreographer of National and International competitors and Professional Performers
- Dancing on Ice Professional Series 1

Marika started skating aged 6. Initially training and competing in all disciplines, Figures, Free and Ice Dance. Aged 12 Marika was discovered at a mix and match event in Slough and partnered with her first serious competitive dance partner with whom she competed in her first British Championships. Her competitive Ice Dance career spanned 12 years and 3 partners, claiming the British Senior Ice Dance title and representing Great Britain at World and European Championships with each one, competing at the Olympics with her husband and 3rd dance partner, Vitaliy Baranov.

As a coach, Marika has trained skaters in Ice Dance (Couples and Solos), Singles and Synchro. Over her 15 years of coaching experience Marika has cultivated her coaching philosophy that fun and learning go hand in hand, allowing skaters to develop high levels of self-motivation, confidence and skill.

After retiring from competitive Ice Dance, Marika trained as a Technical Specialist for the International Skating Union and has officiated at numerous ISU championships including the Winter Olympic Games in Vancouver. Marika has since become a moderator for the ISU at their annual seminar in Frankfurt, training new Technical Specialists for the ISU for the last 4 years.

Inspired by the knowledge and technical excellence of her former coach, the late Betty Callaway MBE, Marika pursued an Honours Degree in Sport and Exercise Sciences taking a special interest in Biomechanics. Her dissertation focused on the forces and instability experienced by ice dance teams during different IJS dance lifts entries.

In association with home nation governing body IceSkateWales, Marika has delivered skater education workshops and seminars for aspiring Welsh skaters.

Marika has coached and choreographed National Champions, Medallists and competitors in Ice Dance, Singles, Pairs. and Synchro.

Meet the Specialists

Doreen Hoppe

Doreen Hoppe had always known that her passion for ice skating was there to stay. She started skating at the age of 9 and at 21 turned professional and began coaching. During her years as an amateur skater, she concentrated on all disciplines; figures, free and dance, whilst obtaining the necessary qualifications to progress into her career as a coach. As a teenager, Doreen decided to focus on ice dance, competing at British Junior and Senior Championships and was also part of the British team to compete Internationally.

As Doreen's career in coaching started, she knew that she was fulfilling her dream in the skating world, which went from strength to strength. She worked alongside, Garry Hoppe, for many years, together building a team of dance couples. He was an international master class coach, producing champions at all levels. Doreen gained the vast majority of knowledge and expertise from this time spent working together. Garry is currently, a highly respected and prominent ISU referee and judge, and chairman of the ice dance technical committee, UK.

In later years, she found her own niche, coaching dance couples both nationally and on the international circuit. She very much enjoys the aspect of choreographing dance routines, whether it be for competitive skating or shows, or skaters just asking her to oversee their programmes. Doreen has also travelled extensively throughout Europe with her couples to gain an insight into how other European coaches approach different techniques.

Doreen is also an ISU technical specialist. Her skill as a technician has seen her officiate at events, both nationally and internationally.

Alongside the coaching, opportunities came her way within the media sector, appearing in various tv programmes including; BBC1 *Strictly Ice Dancing*, as a judge alongside Craig Revel Horwood, Eastenders, Sky Sports, Living for Sport, Iceland Commercial, ITV Anglia; teaching news presenters how to skate in 6 weeks and Gok Wan's *How To Look Good Naked*, where she choreographed a dance routine.

With a precision approach to skating, Doreen helps skaters to attain the grace and speed they need to bring her innovative choreography to life on the ice.

As one of the coaching assessors for NISA, she is renowned for her ability to make the most complex of ideas accessible.

Meet the experts

Alison Evans - Stretchworks

Alison Evans had an extensive dancing career working for renowned choreographers including Arlene Phillips, and teaching at the Pineapple Dance Studios. Alison started to devise the Stretchworks programmes over 20 years ago.

She has worked with top athletes in a variety of sports including figure skating. Especially unique in Alison's work history is her work with Torvill and Dean during their Olympic comeback in 1994. Over the span of a decade Alison's Stretchworks programme nurtured the flexibility and core strength of a plethora of British Champions and National talent from Singles, Pairs and Ice Dance

around the country.

Stretchworks introduces the concept that stretching can be a complete workout in it's own right, enabling you to find your optimum fitness level at your own pace and in your own way.

Stretchworks incorporates controlled stretching and strengthening exercises that are devised to flow into one another enabling one to experience an overall sense of being aligned, balanced, elongated and strong.
